

Fall 2010

Dear Parent/Guardian,

Parents of the Bayonne School District have always taken an active part in their child's education. In order to promote continued cooperation between home and school, the Bayonne Board of Education Title I Program is offering an innovative program entitled, "Parent University," for parents of Kindergarten through Grade 5 students. We will be offering a free parent workshop on Saturday, October 16, 2010. Child care will also be provided during the workshop times. Free educational materials will be distributed.

Details of our Parent University Program are listed. A tear-off portion has also been included for parents/guardians to register. I encourage you to take time out from your busy schedules to attend our Parent University semester. Please return your response to your child's homeroom teacher by October 4, 2010. Thank you!

Sincerely,

Patricia L. McGeehan
